Combat Rules

Dash	Action	Gain your speed as extra movement for this turn.
Disengage	Action	Your movement doesn't provoke opportunity attacks for this turn.
Dodge	Action	Attack rolls from attackers you can see have disadvantage and you have advantage on Dex saving throws until the start of your next turn.
Escape	Action	Escape a grapple by winning a Str (Athletics) or Dex (Acrobatics) check vs. grappler's Str (Athletics) check.
Help	Action	Give an ally advantage on next ability check or attack roll vs. an opponent within 5 ft of you, if done before the start of your next turn.
Hide	Action	Hide from those that can't perceive you. Your Dex (Stealth) check is the DC for anybody's Wis (Perception) check to discover you.
Overrun*	Action or Bonus Action	Move through opponent's space once by winning opposing Str (Athletics) check. Advantage if you are larger and disadvantage if you are smaller.
Ready	Action	Choose an action that you will take in response to a set trigger. Taking the action uses your reaction. Readying a spell requires concentration.
Search	Action	Search for something with a Wis (Perception) or Int (Investigation) check.
Tumble*	Action or Bonus Action	Move through opponent's space once this turn by winning opposing Dex (Acrobatics) check.
Use Object	Action	You can interact with an object once per turn for free. A second interaction and special cases take an action to complete (e.g. draw a second weapon, equip a shield, drink a potion, retrieve an item from a backpack).
Disarm*	Attack	Knock an item from grasp by winning weapon attack roll vs. opponent's Str (Athletics) or Dex (Acrobatics) check. Disadvantage if item is held by two hands. A larger opponent has advantage, smaller has disadvantage.
Grapple	Attack	With a free hand, give the grappled condition to an opponent that is within reach and up to one size larger than you by winning Str (Athletics) check vs. opponent's Str (Athletics) or Dex (Acrobatics) check.
Mark*	Melee Attack	Mark target of a melee attack. Next opportunity attack against the mark before the end of your next turn has advantage and doesn't use a reaction.
Shove	Attack	Move opponent 5 ft or make prone by winning opposing Str (Athletics) check. Disadvantage if trying to move the opponent to a side.*
Move Grappled	Move	Bring grappled opponent along as part of your move. You move at half speed unless the opponent is two or more sizes smaller than you.

*This action is an optional rule introduced in the Dungeon Master Guide (and is therefore not eligible in Adventurer's League play).

Half Cover	Gain +2 to AC and +2 to Dex saving throws.
Three-Quarters Cover	Gain +5 to AC and +5 to Dex saving throws.
Total Cover	Can't be targeted directly by attack or spell. Some spells can reach you by including you in its area of effect.
