## OZ SOCIAL ARRAY

The following chart distills the relationships between the various Personalities and Factions into a single concept. This is neither an absolute nor the full picture, but a starting point from which to build. Note the feelings may not be mutual. A blank spaces means indifference or room to expand. To be read **HOW MIGHT (LEFT) FEEL ABOUT (TOP)**.

|                 |          | FEEL ABOUT       |            |                  |          |         |                 |          |           |         |         |           |             |          |                   |            |           |            |         |                |          |           |                       |         |               |                  |            |         |           |             |                          |            |
